Dear Ms. Braun-Pollon:

Thank you for your April 7, 2008 letter, in which you enclosed the Canadian Federation of Independent Business' recent research report entitled, *A Foundation of Unleashing Entrepreneurship - The case of regulatory transparency and accountability in Saskatchewan.*

Your correspondence is timely as our Government has recently committed to minimizing excessive business red tape by modernizing and stream-lining our province's regulatory system. Enterprise Saskatchewan will be the lead agency for this initiative, and they will certainly be seeking your organization's input in both the initiative's detailed planning and delivery activities.

Again, thank you for providing a copy of your report to all Cabinet Ministers.

Sincerely,

Brad Wall
Premier
